**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are as a residential Sonic customer, we will be materially affected if this petition is granted. We are here to let the FCC know that we do rely on these services, the reason we choose Sonic for our internet and our telephone services, they do have better services and more competitive prices.

We are supports broadband competition, in order to have affordable services, we can't just stuck with one or two providers, we need to have more competition!

Telecom competition and our access to fast, affordable internet and phone service are very important to us!
